## Diver Break

**Destination:** Oulu, Finland  
**Focus:** Diver  
**Grading:** Easy walks

**Group size:** 4 – 6 photographers  
**Time:** 13 - 16 August 2025  
**Price:** 1885 € / person

### Diver Break

Divers are very attractive species to photograph. During this short break we will photograph both species – Red-throated and Black-throated Divers. We will visit several breeding lakes of these beautiful birds and we will have a good chance to get good photos of both species.

We have timed this break for the time of the year when divers have large young ones, so we will get some nice action photos too. To make most out of the best light of the day we will do both early morning and late evening sessions with divers. During the daytime there will be time for some rest or for some passerine photography at Villa.

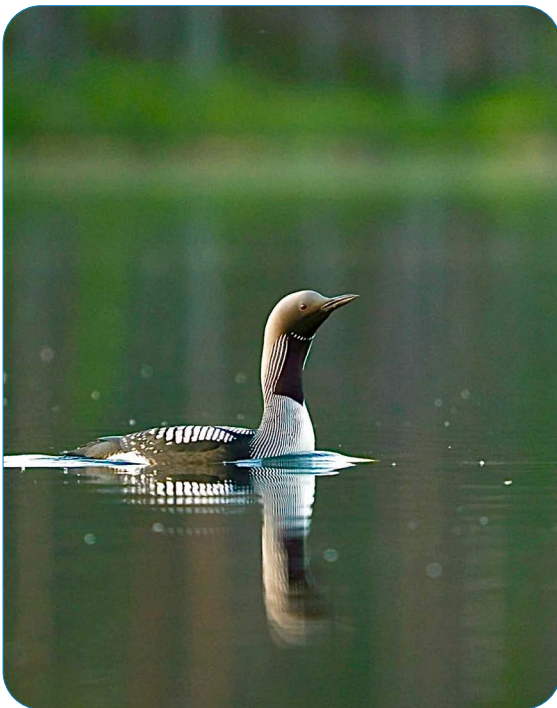

### Highlights

Black-throated – and Red-throated Divers with their chicks in atmospheric morning and evening light.

## ITINERARY

### Day 1 Arrival to Oulu

Arrival to Oulu in the afternoon. Pickup from the airport and transportation to the accommodation. After early dinner first evening excursion for Black-throated Divers.

### Days 2 and 3

Early morning photo sessions for Red-throated Divers. We are hoping to get atmospheric morning mist with the divers. We stay with the divers as long as light is good and after that we will drive back to Villa Finnature.

There we will have time to download the images, charge the batteries and have a good rest. There is also a bird feeder at Villa and it would be possible to photograph the passerines visiting the feeder.

Early dinner and evening session for Black-throated Diver.

### Day 4 Departure from Oulu

The last early morning session for selected Diver species. After photo session transportation back to the accommodation for brunch and packing the luggage. Tour ends at the Oulu airport around midday.
